

HB0067

SUPPORT

Election Law - Absentee Ballots - Signature Requirements and Verification

I am writing in to support HB0067. We must have signature verification on mail-in/absentee ballots, in order to have valid elections again. Currently voter confidence in our elections is very low. We need to re-establish confidence in our elections again and in order to do that, chain of custody measures and signature verification need to be part of the process. Thank you.
