**Testimony in Support of HB402**  
Testimony by Delegate Andrew Pruski  
February 5, 2025 – Ways and Means

**What the Bill Does:**

The purpose of HB402 is to increase the amount of money awarded in form of scholarship for a Student Member of the Anne Arundel County Board of Education who completes a full term on the Anne Arundel County Board of Education, from \$8,000 to \$15,000.

**Why the Bill is Important:**

HB402 is important because it brings the compensation for a student member of the Board of Education on par with what their fellow Board Members, which is currently at \$15,000 annually. This increase in scholarship will be used toward their higher education goals.

**I request a favorable report on HB402.**
