

HB 0156 – Interscholastic and Intramural Junior Varsity and Varsity teams- Designation Based on Sex (Fairness in Girls' Sports Act)

I oppose this bill.

I have been an athlete and/or a coach of female athletes for most of my life. In my teen years, we fought to have women's sports where we could compete with other women and not men.

This bill protects girls from physical and mental harm by biological males competing as women. We know that men are by nature stronger, faster etc. than women. This is particularly true once they have gone through puberty.

This bill will allow female athletes to compete for college scholarships in sports without having to compete with boys/men.

It's even more important that we preserve the rights for women to have their OWN sports where they can compete against OTHER WOMEN.

ON BEHALF OF WOMEN EVERYWHERE, I SUPPORT THIS BILL.
