

Written Testimony for **HB 68: Public Schools - Children Suspected of a Crime of Violence - Prohibition on In-Person Attendance (Student Protection Act of 2025)**: Please **VOTE YES** on this bill.

Dear Ways & Means Committee:

This bill's synopsis reads: "...Prohibiting a child from in-person attendance at a public school if the child has been identified as a suspect in a crime of violence, until the investigation is complete and the child is no longer identified as a suspect; and requiring each local school system to provide alternative educational options for children prohibited from in-person attendance..."

I agree with this bill and the reason it was sponsored: the safety of our children. Our first and foremost "job" as a parent is to protect our children. This bill will help all parents do this. I do not feel that my child(ren) or anyone else's children would be safe attending school with another child that has been suspected of a crime of violence. It would mean that the State has enough evidence against that child for a violent crime. This is not a circumstance where someone is simply saying that a child did something. This is a case where there is actual evidence that a child has committed an act of violence against another person. It is incumbent upon us as a society, and as a community, to keep all children safe while they are attending school.

Please VOTE YES on this bill so that it helps keep all of our children safe from violence!!

Thank you.
