to me

Good afternoon,

My name is Logan Dechter, and I am a School Counselor at Julius West Middle School in Rockville, MD. We serve over 1,350 students, and it is important for them to know that school is a safe place for them. I strongly support the Lifesaver Bill because students deserve to see official recognition that their school is a safe place and that the staff that work here are truly here to keep them safe and ultimately save lives. Based on the required criteria for qualifying as a Lifesaver School, I also believe that Julius West Middle School would be a great candidate for this recognition.

Regards,  
Logan
