

## **House Bill 250 - Ways and Means - FAVORABLE**

Chair, Vice Chair, and Members of the Ways and Means Committee;

Please give House Bill 250, regarding a tax credit for firearm safety devices, a favorable report.

I love that this piece of legislation both recognizes the reality that many people have guns, and the necessity that those guns be secured. I hope that this bill passes, and that the desire for a tax credit will result in fewer accidental firearm deaths. Please support HB250. Thank you for your consideration.

Sincerely,
