To assist us as quickly and comprehensively as possible, please include the following information.

Name: Laura Seibel

HOME ADDRESS AND ZIP CODE: 2490 Barrister Drive, 21776

PHONE NUMBER: 443-244-2690

Please do not vote in favor of HB0052. At 16 years old, a person is still a child and not mature enough to have the right to vote. Children can't think rationally or logically. If they can't live on their own or hold full time jobs, why would one think they're mature enough to vote?

Thank you for your time,

Laura Seibel

Good afternoon,

Please re-submit your testimony in a PDF format in an email so that we can upload your written testimony. That is the only format our system accepts.

Thank you
