**RE: HB133-State Department of Assessments and Taxation–Notification of Constant Yield Tax Rate–
Repeal**

Dear Chair Atterbeary,

On behalf of the Wicomico County Delegation, we are opposing the repeal of the requirement that the State Department of Assessments and Taxations (SDAT) calculate the constant yield tax rate for each taxable year and notify each jurisdiction of its constant yield tax rate.

We would like to see the requirement remain intact, or at the very least, we would ask that SDAT still be required to produce and send this data to Wicomico County's Finance Department.

If you have any questions, please do not hesitate to contact my office.

Sincerely,

A handwritten signature in blue ink, appearing to read "C. Adams".
