SB 288
Transportation - Highway User Revenues Capital Grants - Calculation

COMMITTEE: Senate Budget and Taxation Committee
POSITION: Favorable with Amendments

The Commissioners of St. Mary's County express our strong support with amendments for **SB 288 - Transportation - Highway User Revenues Capital Grants - Calculation**. With the amendments we understand to be offered by the sponsor and the Maryland Association of Counties, we believe this bill will prevent a step backwards in local transportation funding.

By preserving a predictable revenue stream, St. Mary's County will be better able to plan multi-year infrastructure projects, reduce costly emergency repairs, maintain safe and reliable roadways, and in so doing better advance the daily lives and comfort of our over 115,000 citizens.

We urge you to **support with sponsor amendments SB 288**. If you would like more information on how this legislation would impact St. Mary's County, we would be happy to discuss it further. Thank you for your consideration as well as your attention to this matter.

Sincerely,
COMMISSIONERS OF ST. MARY'S COUNTY

James Randy Guy, President
