Hi,

My name is Paul Manna, an independent concert promoter in Baltimore, MD since 1997.

I am writing today to voice my concern over the House Bill 0077, Consumer Protection - Sale and Resale of Event Tickets.

The amount of unscrupulous activity among scalpers is single-handedly ruining the event buying experience and needs to stop immediately.

I passionately support the amendments that Merriweather Post and it's my amphitheater are submitting and strongly stress the importance of the capping resale tickets at face value. Please help us save the future of events.

Sincerely,

Paul Manna
