

I am writing to express my strong support for the *Jillian and Lindsay Wiener Short-Term Rental Fire Safety Act*.

The safety requirements for hosts outlined in this legislation are manageable, yet they will have a significant impact on the safety and well-being of guests. These measures are essential to preventing future tragedies like the one the Wiener family experienced in August 2022. The loss of Jillian and Lindsay is felt deeply by family and friends, and this bill is a critical step toward ensuring such a loss does not happen again.
