RE: Support for the Public Safety - Short-Term Rental Units - Fire Safety (Jillian and Lindsay Wiener Short-Term Rental Fire Safety Act)

Dear Delegate Linda Foley,

My name is Kaylin Engerman. While I do not live in your district, I want to express my support for the Jillian and Lindsay Wiener Short-Term Rental Fire Safety Act.

I am close with many people who knew Jillian and Lindsay. It's incredibly important to them, and to me, that safety measures are put in place to prevent what happened to them from happening again. Short term rental units should be required to provide evacuation diagrams, emergency phone numbers, fire extinguishers, and a smoke alarm. I believe that putting these safety measures in place could only have a positive impact on the community.

I appreciate you advocating for public safety.

Sincerely,
Kaylin Engerman
