Regarding HB1221
March 3, 2026

I am writing to express my strong support for HB1221, also known as Public Safety - Short-Term Rental Units - Fire Safety (Jillian and Lindsay Wiener Short-Term Rental Fire Safety Act). As a concerned citizen, childhood friend of Jillian and Lindsay, and medical student, I am strongly in support of these reasonable measures to promote public safety. No one should face the loss of family members, friends, future, or health due to a lack of common sense safety measures.

Sincerely,

Meaghan Kilner
