SB50 Fairness in Girls Sports

FAVORABLE

I grew up when girls were always on the side lines. Then Title IX was passed and girls and women shone in sports.

Now all that is threatened by a push to have boys and men competing against women and girls.

It is not safe and it is not fair. Why should girls who have spent a life time training be denied their due wins because a boy wants to compete against them.

Girls and women have earned the right to have safe competitions and safe bathrooms.

I request that you return a FAVORABLE VOTE for fairness in girls' sports
