RE: Fire/EMS Coalition Opposition to SB0219

Dear Chair Feldman, Vice Chair Kagan, and Members of the Committee,

The Fire/EMS Coalition would like to express their opposition to Senate Bill 0219: **Public Schools - Airway Clearing Device Availability and Use - Policy (Bowen Levy Airway Clearing Device Act)**. This bill will require each county board of education to establish a policy to obtain at least one airway clearing device per school and to authorize school nurses and other school personnel to use an airway clearing device in certain emergency situations; and requiring the State Department of Education to develop and disseminate a form for public schools to report each incident requiring the use of an airway clearing device.

The Fire/EMS Coalition opposes Senate Bill 0219.

Sincerely,

A handwritten signature in cursive script, appearing to read "Mike McKay".
