EXPLANATION OF DEPARTMENT'S POSITION

The Department supports Senate Bill 916. BACKGROUND INFORMATION

Under Agriculture Article, Section 10-1101, the state also has a Seafood and Aquaculture Products Marketing Commission whose purpose is to assist the Seafood and Aquaculture Marketing Program with promoting increased consumption and distribution of Maryland seafood and to seek efficient methods to reduce cost and improve the quality and marketability of Maryland seafood. The program is funded by the seafood marketing surcharge under Natural Resources Article, Section 4-701.

BILL EXPLANATION

The bill creates a workgroup on seafood marketing convened by the secretaries of the Departments of Agriculture and Natural Resources to examine challenges and opportunities in seafood marketing. The bill also requires a report on the findings of this workgroup.
