BILL: SB 103

TITLE: Public Middle, High, and Charter Schools - Start Time for Instruction

DATE: February 4, 2026

POSITION: Oppose

COMMITTEE: Education, Energy, and the Environment

CONTACT: Patricia Ursprung, Coordinator, Legislative Affairs

The Montgomery County Board of Education opposes Senate Bill 103.

This bill requires Maryland public school systems, beginning in the 2028-2029 school year, to begin instruction not earlier than 8:00 a.m. for middle schools and 8:30 a.m. for high schools.

On August 21, 2025, the Montgomery County Board of Education adopted a legislative platform that contains priority issues and ongoing concerns. One of the ongoing concerns is preserving local autonomy. Based on this platform position, the Montgomery County Board of Education opposes legislation that would infringe on local control. Bills that fall into this category require specific school system action and may impact areas such as school calendars, school start times, curriculum, testing, procurement, and other operational decision-making.

Senate Bill 103 infringes on local control as it places restrictions and requirements on permissible school start times. As a result, the Montgomery County Board of Education opposes Senate Bill 103 and requests an **unfavorable** report.
