

I am writing in support of SB0845, Maryland Voter Registration List Accuracy and Integrity Act. Over the past few years, I have been working with Secure The Vote MD. Since the Fall of 2024, I have turned in a total of 43 reported deceased individuals to the Local Boards of Elections in Wicomico and Worcester Counties. With those submissions were obituaries and/or other forms of documentation. I also submitted the same information to the Maryland State Board of Elections.

As of December 18th, 2025, at least 28 of those names remained on the voter rolls, and 89% of these names are coded as "Active Status." In Maryland, we need a better system of removing the deceased from the voter rolls.

Please give a Favorable Report to SB0845. Thank you.
