RE: Favorable position on HB0331 Maryland Beverage Container Recycling Refund and Litter Reduction Program

Dear Environment and Transportation Committee Members:

Thank you for your service and work reviewing the HB 331, Maryland Beverage Container Recycling Refund and Litter Reduction Program.. I am writing to ask that the committee provide a favorable report on HB0331, Maryland Beverage Container Recycling Refund and Litter Reduction Program.

HB0331 is a sensible and proven method of reducing litter and increasing recycling rates. As I have volunteered with Patapsco Heritage Greenway for trash pick-up in the Patapsco watershed, I can attest to the volume of beverage containers littering our watershed.

I urge a Favorable HB0331 committee report and House of Delegates floor vote.

Thank you for the opportunity to testify on this legislation.
