RE: Fire/EMS Coalition Support for HB0204

Dear Chair Korman, Vice Chair Guyton, and Members of the Committee,

The Fire/EMS Coalition would like to express their support for **House Bill 204: Drinking Water - Regulation - Control and Prevention of Waterborne Disease**. This bill will establish minimum detectable disinfectant residual level requirements, disinfectant residual testing requirements, and related requirements for the control of Legionella bacteria and other pathogens in the public water supply; will require suppliers of water to provide certain notices and records regarding disruptions in the water distribution system; establish requirements for the investigation of reported cases of Legionnaires' disease.

The Fire/EMS Coalition supports House Bill 204.

Sincerely,
