Dear Members of the Maryland General Assembly,

On behalf of the Transit Caucus, we are writing to express our endorsement of **HB 669: Political Subdivisions - Third-Party Road Improvements - Satisfactory Completion**. As advocates for transportation-related legislation before the General Assembly, we believe this bill is essential to our mission of ensuring a more sustainable, efficient, and accessible transit system for all residents. We are confident that its passage will have a positive impact on our communities, economy, and environment.

HB 669 aims to make changes to the permitting process to incentivize faster completion of road improvements that are sufficient for the needs of the local jurisdiction and the state highway administration. This bill addresses an issue where third parties do not complete road improvements in a timely or satisfactory manner. The Transit Caucus supports HB669 as it will incentivize finishing road improvements that are not completed in a timely manner. Under the bill, agreed upon road improvements should be completed before a permit holder can utilize their property.

Thank you for taking the time to consider this bill. Should you have any questions or require further information, please do not hesitate to reach out to us. We look forward to working with you as we build a better Maryland transportation system for all.

Thank you,

Senator Cory McCray, Co-Chair

Delegate Lorig Charkoudian, Co-Chair
