**HB 668 - St. Mary's County - Prohibition on Standing in Inherently
Dangerous Highway**

COMMITTEE: Environment & Transportation
POSITION: Support with Amendment

The Commissioners of St. Mary's County express our support with amendment for **HB 668 - St. Mary's County - Prohibition on Standing in Inherently Dangerous Highway**. This bill would prohibit a person in St. Mary's County from standing in a roadway, a shoulder, a median divide, or an intersection determined by the County to be inherently dangerous. As amended, the bill would require the State Highway Consultation's consultation before designating any State-owned road as inherently dangerous, and would require SHA's approval before installing signs adjacent to the state highway.

We urge you to **support HB 668 as amended**. Thank you for your consideration as well as your attention to this matter, and thank you for the opportunity to provide this testimony.

Sincerely,

COMMISSIONERS OF ST. MARY'S COUNTY

/s/ James R. Guy
