Re: HB0950, Public Utilities - Street Lighting Equipment - Acquisitions and Reporting
(County and Municipal Street Lighting Investment Act)

Dear Delegate Korman:

The Greenbelt City Council is writing in support of HB0950, Public Utilities - Street Lighting Equipment - Acquisitions and Reporting (County and Municipal Street Lighting Investment Act). This act is an important piece of legislation that authorizes certain counties or municipalities to acquire certain street lighting equipment by purchase or condemnation, convert its street lighting service to a customer-owned street lighting tariff, enter into an agreement to purchase electricity, and contract with an electric company for the maintenance of the street lighting equipment; etc. and is consistent with Greenbelt's current activities and desire to acquire streetlights in our City.

Thank you for proposing this legislation.

Sincerely,

Emmett V. Jordan
Mayor
