Subject: Request for **FAVORABLE Report** – SB0083 – Health Occupations – Grounds for Discipline – Federal & Court Actions

Dear Chair Beidle, Vice Chair Hayes and distinguished members of the Finance Committee:

On behalf of the members of the Maryland Military Coalition (MMC), I write to recommend a **FAVORABLE report** by the Committee on **SB0083 – Health Occupations – Grounds for Discipline – Federal & Court Actions**, sponsored by Senator Bryan Simonaire. This bill standardizes the language of the disciplinary statutes within the various career categories that are Maryland-licensed health occupations. These modifications reflect the addition of the uniformed services, the correct naming of the U.S. Department of Veterans Affairs and recognizes the absolute authority of the Board issuing the license derived from state statute. Each licensure Board is obligated to investigate complaints about their licensees and address concerns, when needed, through the discipline process. As with other individuals and organizations, federal agencies are obligated to notify the licensing board with their concerns about problem providers.

As this bill provides standardization, improving clarity around responsibilities, the Maryland Military Coalition **strongly supports SB0199** and asks for a **FAVORABLE** report from the Finance Committee.

The Maryland Military Coalition is a registered non-profit, non-partisan advocacy organization comprised of prominent Maryland-based veteran and military groups. It represents over 150,000 service-connected individuals, including those currently serving, veterans, retirees and their families, caregivers and survivors. We want to thank Senator Simonaire for sponsoring this legislation and supporting the uniformed services community in Maryland.

Respectfully,

Lynn A. Nash, PhD, RN PHCNS-BC, FAAN
