Dear Senator Beidle and Committee Members:

Re: Wicomico County — Class A Beer, Wine, and Liquor License — Alterations
Letter of Support — Senate Bill 390

We are writing to express our strong support for Senate Bill 390, entitled “Wicomico County — Class A Beer, Wine, and Liquor License — Alterations.”

The primary purpose of this legislation is to remove the existing requirement that a business must first operate as a restaurant (Class B license holder) in order to qualify for a Class A beer, wine, and liquor license. Beginning July 1, 2026, new Class A licenses would no longer be contingent upon restaurant operations. This change represents a practical and forward-looking modernization of the current licensing structure.

Importantly, the bill safeguards businesses that currently hold Class A licenses by allowing them to continue renewing their licenses without disruption. The legislation also establishes reasonable parameters by prohibiting the issuance of a Class A license to establishments with retail floor space exceeding 3,500 square feet. Additionally, it limits the total number of Class A licenses in Wicomico County to three—one per county councilmanic district—ensuring equitable geographic distribution and maintaining local balance.

The County Executive respectfully requests one technical amendment to clarify the bill’s intent. Specifically, line 5 on page 3 should be amended to state that a license holder may purchase liquor for retail sale from either a county dispensary or a wholesaler. This clarification will ensure consistency in application and avoid ambiguity in procurement procedures.

The County Executive believes Senate Bill 390 provides a clear, structured, and fair approach to modernizing the county's alcohol licensing framework while preserving appropriate safeguards and local oversight. We respectfully request your favorable consideration of Senate Bill 390, with the requested technical amendment, during the 2026 Legislative Session.

Thank you for your time and consideration.

Respectfully,

WICOMICO COUNTY, MARYLAND

Dear Senator Beidle and Committee Members,

Re: Wicomico County – Class A Beer, Wine, and Liquor License – Alterations
Letter of Support – Senate Bill 390

Dear Members of the Wicomico County Delegation:

We are writing to express our support for Senate Bill 390, entitled “*Wicomico County – Class A Beer, Wine, and Liquor License – Alterations.*” The main purpose of this bill is to remove the current requirement that a business must first operate as a restaurant (Class B license holder) in order to qualify for a Class A beer, wine, and liquor license. Under this legislation, beginning July 1, 2026, new Class A licenses would no longer be tied to a restaurant operation.

The bill also protects businesses that already hold these licenses by allowing them to continue renewing their licenses. In addition, the bill indicates that a Class A License may not be issued to an establishment with retail floor space of more than 3,500 square feet. Further, it limits the number of Class A licenses in the County to three licenses, one per county councilmanic district to ensure fair distribution across the county.

The Council does request one technical amendment to the bill. Specifically, line 5 on page 3 should be amended to clarify that a license holder may purchase liquor for retail sale from a county dispensary or from a wholesaler.

The Council believes this change will modernize the licensing process, provide clarity, and ensure a fair and structured approach moving forward.

The Wicomico County Council respectfully requests your favorable consideration of Senate Bill No. 390 with the requested amendment during the 2026 Legislative Session.

Sincerely,

WICOMICO COUNTY, MARYLAND
