Dear Delegate Wells, Chair, Delegate Kerr Vice Chair and committee members:

Please vote in favor with amendments for **HB0641**, Election Law-Curbside Voting that would create curbside voting that is accessible for people with disabilities. This voting procedure would provide options for people to vote with or without assistance.

I would concur with the recommended amendments to the bill including:

- verification sent to the voter when the ballot is scanned,
- a policy or procedure and terms regarding the chain of custody of the voter ballot since the voter would not be walking the ballot to the scanner themselves
- and policies and procedures, and voters understanding that they are not guaranteed privacy in terms of other people in the vehicle while the voter votes their ballot.

Thank you for voting in favor of **HB0641** with amendments.

Best,
Dorothy Plantz
