FROM: Richard Keith Kaplowitz

My name is Richard Kaplowitz. I am a resident of District 3, Frederick County. I am submitting this testimony in support of HB#/0266, **Department of Information Technology – Information Technology Investment Fund – Uses**

This bill expands the power of the Secretary Information Technology to use their discretion to expand the use of the Information Technology Investment Fund, to be used to support State-owned communication sites, communication facilities, and telecommunications equipment used in connection with certain technology agreements.

This added authority will help the state maintain its technology at levels which support the mission and requirements of service to the public by state government.

I respectfully urge this committee to return a favorable report on HB0266.
