

Government, Labor, and Elections Committee
House Bill 588
Favorable

Honorable Chair Wells, Vice Chair Kerr, and Members of the Government, Labor, and Elections Committee;

Please give House Bill 588 a favorable report. Very few people know that a large percentage of girls and women of indigenous ancestry end up missing and/or murdered. Having a day to increase that awareness may lead to more people getting involved to put pressure where it's needed in order to address the issue. Please support this bill. Thank you.

Sincerely,
The One Pasadena Steering Committee
