

I am writing to express my support for Maryland Senate Bill 29.

SB 29 strengthens our democratic process by ensuring that petitions and ballot questions include **clear, plain-language summaries** and understandable descriptions of what voters are being asked to decide. By requiring concise titles, summaries free of legal jargon, and explanations of practical outcomes, this bill makes it easier for all Maryland voters to make informed choices at the ballot box.

Increasing transparency and accessibility in the initiative and referendum process promotes broader civic engagement and helps build confidence in our elections. For these reasons, I respectfully urge your support for SB 29.

Thank you for your consideration.
