

To members of the **House Government, Labor, and Elections Committee,**

I am writing in as a constituent of Montgomery County in support of House Bill 0052 sponsored by Delegate Wilkins. Every citizen should have the right to access their vote. I wholeheartedly support Delegate Wilkins in her effort to set up a toll-free hotline for incarcerated people to learn about voting, as well as her effort to make voting registration accessible to incarcerated people. Right now we are witnessing democracy being encroached upon and rights being taken away from so many. It is vitally important to give all citizens *equal* access to the democratic process.

Thank you,  
Lindsey Sitz
