

HB0565

County Boards of Education-Elections-District Voting (Fair Representation Act)

February 11, 2026

Government, Labor, and Elections Committee

Position: FAVORABLE WITH AMENDMENTS

Dear Members of the Committee,

I am a constituent residing in St. Mary's County, MD.

This bill would create a more equitable representation on our Board of Education.

I request that you vote FAVORABLE WITH AMENDMENTS. The voting for the County Commissioners should also be done in the same manner with races to be voted on by district rather than at large.

Respectfully submitted,

Marcia Coe
