Subject: Request for **FAVORABLE Report** – SB0150 – Notation of Veteran Status – Public Profiles

Dear Chair Wells and distinguished members of the Government, Labor, and Elections Committee:

On behalf of the members of the Maryland Military Coalition¹ (MMC), I write to request a **FAVORABLE report** by the Committee on **SB0150 – Notation of Veteran Status – Public Profiles**, sponsored by Senator Bryan Simonaire. This bill authorizes the departments of Environment, General Services, and Labor to establish a process to include a notation of veteran status on their respective licenses, certificates, registrations, identification cards, or public profile upon the request and affirmative consent of the veteran. If the veteran agrees to have that notation applied, that individual also agrees to be contacted by appropriate Executive Branch agencies regarding their eligibility for State or federal veteran benefits. **This bill was unanimously passed by the Senate.**

The MMC supports the intent and processes of this bill. It **recognizes veteran status and reduces the burden on individuals to prove their eligibility for State or federal veteran benefits**, thereby improving the State's ability to actively connect veterans with benefits and services for which they may qualify, and saving the veteran personal time and effort to do so. We applaud this step in making it easier for those who have served other than dishonorably.

The Maryland Military Coalition **strongly supports SB0150** and asks for a **FAVORABLE** report from the Government, Labor, and Elections Committee.

The Maryland Military Coalition is a registered non-profit, non-partisan advocacy organization comprised of 22 prominent Maryland-based veteran and military groups. It represents over 150,000 service-connected individuals, including those currently serving, veterans, retirees and
