Testimony is respectfully submitted on behalf of the **nationwide Association of American Physicians and Surgeons - to the Maryland General Assembly in strong OPPOSITION to [HB 2100](#) / [SB 2100](#) ( Gerrymandering in Maryland)** by Dr. James E. Kelly- a Maryland physician.

For over a century **Democrat and Republican elected officials in every state in the USA including Maryland have strongly and publicly opposed gerrymandering -as corrupt, illegal and clearly unconstitutional** to the U.S. Constitution and to the Maryland Constitution **because it is obviously corrupt , disenfranchises all citizens, and destroys freedom and democracy.** So the plan of some has become -that since **Gerrymandering is obviously unconstitutional and illegal -the only way to “legally destroy democracy” is to amend the Maryland Constitution !!!!!**

**WE The PEOPLE** of Maryland have elected you to **represent all of us** not only one group in power and **NOT disenfranchise us!**

Is the **2026 Maryland General Assembly** going to go down in infamous history as the first Maryland Assembly in over 350 years to amend the Constitution of Maryland to Destroy Democracy in Maryland !!! ??? **WE The PEOPLE** hope NOT and ask you to PLEASE vote NO on [HB 2100](#) / [SB 2100](#)
