

HB 1103: State Designations - Symbol of Remembrance for September 11 - Freedom Flag: Please vote to **SUPPORT** this bill.

Dear Government, Labor & Elections Committee:

I am writing to respectfully **support HB 1103**, concerning *State Designations – Symbol of Remembrance for September 11 – Freedom Flag*.

The events of September 11, 2001 remain one of the most significant and tragic moments in our nation's history. Thousands of innocent lives were lost, and countless families and communities were forever changed. Remembering those who perished and honoring the courage of first responders and ordinary citizens who acted with extraordinary bravery is an important responsibility for our nation and our state.

Designating the Freedom Flag as a symbol of remembrance for September 11 provides Maryland with a meaningful way to honor the victims and reflect on the values of unity, resilience, and service that emerged in the aftermath of that day. Official recognition helps ensure that future generations understand the significance of the events and the sacrifices made by so many.

State symbols and commemorations play an important role in preserving history and encouraging public reflection. **By recognizing the Freedom Flag as a symbol of remembrance, Maryland affirms its commitment to honoring the memory of those who lost their lives and to acknowledging the heroism demonstrated in response to the attacks.**

For these reasons, I respectfully urge you to **support HB 1103**.

Thank you for your time and thoughtful consideration.

Respectfully,

Trudy Tibbals
