

Government, Labor, and Elections  
House Bill 47  
Favorable

Honorable Chair, Vice Chair, and Members of the Government, Labor, and Elections  
Committee;

Please give House Bill 47 a favorable report. Confederate soldiers were traitors to this country, and we should not allow them to be honored in our state. White supremacy should not be accepted in any manner, including in property names. The Maryland General Assembly should support the existence of a commission that works to identify the names of property that memorializes enslavers and their supporters, and that advises changes to those names. Please show the residents of Maryland that you stand against white supremacy by giving House Bill 47 a favorable report. Thank you.

Sincerely,  
Debi Jasen
