Re: Support for House Bill 1332

Dear Delegate Fisher,

I am writing as a resident of Calvert County, Maryland to express my support for House Bill Number 1332 - Calvert County, County Commissioners – Prohibited Agreements. This legislation is an important step toward transparency for the residents of Calvert County Government as it pertains to practices with private entities.

By passing this bill, it will ensure transparency and remove the improper use of taxpayers funding and resources. I believe this measure will safeguard the interests of residents.

I respectfully urge you to vote YES on House Bill Number 1332 and to champion its passage through the legislative process. Thank you for your service and for considering the voices of your constituents.

Sincerely,

*Barbara J. Warner*
