Testimony HB 350 - Position: favorable
Voting Rights Act of 2026
Counties and Municipal Corporations
Government, Labor and Elections Committee

Dear Delegate Wilkins and Committee Members,

I, Cynthia Sokolow of Ellicott City, MD, am in favor of passing HB 350.

For too long, minorities have experienced challenges in having their voices count in our electoral system. Voting is a civic duty for everyone and the process should be easily accessible to everyone.

Maryland laws must protect against racial vote dilution. For this reason, I respectfully urge you to vote YES on HB 350.

Thank you,

Cynthia Sokolow
