RE: SB 2100 & HB 2100 – Election Districts – General Assembly and Representatives in Congress

Position: UNFAVORABLE / AGAINST SB 2100 & HB 2100

Written Testimony of Vincent dePaul Gisriel, Jr.

My name is Vincent dePaul Gisriel, Jr. I am a resident of Worcester County, Maryland. I am registered as an Unaffiliated voter in the State of Maryland. I respectfully submit this testimony in strong opposition to SB 2100 & HB 2100.

SB 2100 and HB 2100 are clearly attempts to rewrite Maryland's redistricting rules for partisan purposes. Congressional districts should only be redrawn every ten years following the census.

Marylanders can see that this is political gerrymandering at its worse.

Any special sessions of the General Assembly should be focused on the enormous debt facing our State. Maryland families are more worried about rising energy costs and fees.

Our elected officials should be focused on creating a State where families and businesses can afford to stay, grow, and prosper, not a partisan redistricting fight.

I request each of the Committees to issue an Unfavorable report on SB 2100 and HB 2100.

Thank you for your time and consideration.
