HB 2100
Election Districts - General Assembly and Representatives in Congress

UNFAVORABLE

I write in opposition to HB 2100, that if passed will put a constitutional amendment on the November ballot which would allow the Democrat majority to re-draw Maryland's congressional map with no rules or restrictions. This is mid-cycle gerrymandering and will silence a large constituency of Maryland voters. Such legislation will disenfranchise 1,018,325 Republicans and probably half of the 1,003,016 Unaffiliated registered voters of Maryland from a voice in Congressional Representation.

Please vote no on HB 2100.

Thank you for your consideration.

Sincerely,
