**House Bill 1010 - Election Law - Certification of Election-Supporting
Technology - Regulations, Review, and Evaluation - FAV**

Dear Government, Labor, and Elections Committee Members:

My name is Rose Ann Wade I urge you to support **HB 1010 (SB 236)**,
*Election Law - Certification of Election-Supporting Technology -
Regulations, Review, and Evaluation.*

Our election administrators at the local and state level do extraordinary work to ensure our elections are secure, accurate, and accessible. We entrust them to run our elections and it is imperative that we equip them with the tools to do the work.

Ranked Choice Voting is a sensible, simple and much more equitable in reflecting the will of the voters than plurality voting. Please support HB1010 to give our election administrators the tools they need for RCV election supporting technology.

I respectfully urge the Government, Labor, and Elections Committee to give HB1010 full consideration and a favorable report.

Sincerely,

Rose Ann Wade
