THE SENATE OF MARYLAND  
ANNAPOLIS, MARYLAND 21401  
ANNE ARUNDEL COUNTY DELEGATION

**Testimony in Support of SB 441**  
**Anne Arundel County - Alcoholic Beverages**  
**Golf Course License and Sports Activity Venue Licenses**

Madam Chair, Mr. Vice Chair, and Members of the House Government, Labor, and Elections Committee:

SB 441 establishes “Golf Club” and “Sports/Activities Facility” licenses. A Golf Course License would now be available to a golf course with at least nine holes. Additionally, this bill authorizes a sports activity venue beer and wine license as well as a beer, wine, and liquor license to commercial recreational facilities that offer: bowling; golf simulators; multisport simulators; indoor or outdoor pickleball courts; indoor gymnasiums or training centers; or any similar sport activity or venue.

### **Background**

Many venues are currently limited to licenses that are overly restrictive or do not match their actual operations.

### **Solution**

This proposal provides a dedicated license class for venues that operate distinct business models focused on recreation.

### **Fiscal Impact**

There is no fiscal impact on the State. Anne Arundel County revenues increase, beginning in FY 2027, to the extent new licenses are issued. Anne Arundel County expenditures are not affected. There is minimal fiscal impact on small business. Additionally, this bill will have a positive impact with the consolidation of fees and licensee savings.

### **Closing**

This bill passed unanimously in the Senate, 39-0. For these reasons, I respectfully request a favorable report on SB 441.
