

Health Committee
House Bill 679
Unfavorable

Honorable Chair Bagnall, Vice Chair Cullison, and Members of the Health Committee;

One Pasadena: Building a Safe and Inclusive Community is an anti-bigotry group in District 31. We strongly condemn the decision of our delegates to co-sponsor the anti-transgender House Bill 679. As scientific studies have shown, gender-affirming healthcare is often life-saving. The One Pasadena Steering Committee supports the mental health and wellbeing of transgender children, both within and outside of our community. We ask you to protect trans children by voting against House Bill 679. Thank you.

Sincerely,
The One Pasadena Steering Committee
