Chair Bagnall, Vice-Chair Cullison, and Members of the Health Committee, thank you for the opportunity to submit supportive testimony for HB 1367. Special thank you to Vice-Chair Cullison and Speaker Peña-Melnyk for sponsoring this bill. The [Maryland Health Care for All Coalition](#) brings together hundreds of faith, community, labor, health care and business groups from across the state working to achieve access to quality, affordable health care for all Marylanders. We thank this Committee for your leadership in protecting and expanding access to health care coverage in Maryland. Though we have accomplished much, there is much more to do to achieve our common goal of quality, affordable health care for all Marylanders. HB 1367 sets up a smart process to achieve this goal. We especially appreciate that the proposed Commission looks beyond health care coverage to work on how to make sure Marylanders in fact are healthy. We look forward to working with the new Commission to make this happen. We urge a favorable report for House Bill 1367. Thank you for your leadership and consideration.
