

**Testimony Supporting HB1593**  
**Developmental Disabilities Administration - Self-Directed Services Manual –**  
**Public Comment**  
**FAVORABLE**

March 13, 2026

Delegate Heather Bagnall, Chair; Delegate Bonnie Cullison, Vice Chair; and esteemed members of the House Health Committee:

I support House Bill 1593, which would require public notice and seek comment for proposed changes to the Self-Directed Services Manual developed by the Developmental Disabilities Administration.

Because this procedural change allows for public input into the process and will only improve the final result, I recommend a favorable report on HB1593.

Respectfully Submitted,
