To ALL members of the MARYLAND GENERAL ASSEMBLY - HEALTH COMMITTEE and ALL other Maryland legislators, who swore an oath to protect and defend all Marylanders (born with a heartbeat and unborn with a heartbeat) from those that profit off them.

My name is Jennifer Mitchell. I reside in Allegany County, and this will be the 3rd year I have cast my vote IN FAVOR of Delegate Metzgar's HEARTBEAT BILL. This year's WITNESS TESTIMONY is unlike the others. I wish to cast my vote IN FAVOR of HB0049 - the HEARTBEAT BILL instead of casting an UNFAVORABLE vote or worse yet keeping silent. I am casting my vote IN FAVOR of HB0049 to protect the voices of the unborn and newly born from being murdered and dismembered, so abortionists can't profit off the sale of their body parts. See my WITNESS TESTIMONY below.

Erin Bradley, Vice President of Public Affairs for Planned Parenthood confirmed what I suspected all along simply by staying silent when I emailed her my question on March 8, 2026 and asked, "Is murdering and dismembering unborn babies profitable for Planned Parenthood?" See screenshot below from the email included in this email chain.

Ms. Bradley,

Good Sunday morning.

My question to you this morning; Is murdering and dismembering unborn babies profitable for Planned Parenthood? That is a simple YES or NO answer.

According to the Planned Parenthood website this morning, Sunday, March 8th, 2026, you are still Vice President of Public Affairs, so you should be able to answer my question without hesitation.

Jennifer Mitchell

Westernport, MD 21562

Why else could she not reply at all in the affirmative or the negative? It's a simple question that deserves a simple answer for those that can't defend themselves from people who profit off them instead of giving them an "informed" choice like Delegate Metzgar's HEARTBEAT BILL would do.

Jennifer Mitchell

SURVIVOR of 2 abortion procedures unlike my unborn babies

I meant to say unborn or does murdering and dismembering babies now include out of the womb babies that have just been born. I have trouble keeping up on what constitutes a life anymore.

Murdering and dismembering babies, is at the very least, profitable for some people it appears. Again, I am no accountant, but I know 6 figure salaries when I see them.

If you don't want to answer, that's fine. I really don't expect you to give me the time of day or anyone else for that matter that is asking the same questions.

I do plan on turning this email chain into a .pdf and submitting it when the WITNESS SIGNUP opens prior to the Health Committee's hearing on March 19, 2026 at 1:00 pm (see screenshot below).

The negative income was almost 6 times worse in 2023. What are the reasons for the decrease in the negative income. I am not an accountant, so I can't do the math. Did Planned Parenthoods expenses go down or was there another source of revenue in 2024 to keep the organization from tanking?

 How can a non-profit have a negative net income? Is it because the organization lost Federal funding, Yes, or No?

Ms. Bradley,
 Not that you even care what my opinion is, but I will tell you anyway. In my honest opinion ALL NON-PROFITS are a scam and Planned Parenthood is no exception.

 **Does Planned Parenthood Make a "Profit"?**

Nonprofits *can* generate revenue, but they cannot distribute profits to owners or shareholders (because they don't have any). Instead:

- **Revenue must be reinvested** into services, operations, and mission-related activities.
- Planned Parenthood's **expenses typically exceed or closely match revenue**, consistent with nonprofit operations.
 - Example: **2024 revenue: \$392M; expenses: \$403M.** [projects.propublic...](#)

Ms. Bradley,

Good Sunday morning.

My question to you this morning; Is murdering and dismembering unborn babies profitable for Planned Parenthood? That is a simple YES or NO answer.

According to the Planned Parenthood website this morning, Sunday, March 8th, 2026, you are still Vice President of Public Affairs, so you should be able to answer my question without hesitation.

The screenshot shows a web browser window displaying the 'Leadership Team' page of Planned Parenthood of Maryland, Inc. The page has a dark blue header with navigation links: WHO WE ARE, TELEHEALTH, PATIENT RESOURCES, EVENTS, CAREERS, CONTACT US, SEARCH, and DONATE. Below the header, the breadcrumb trail reads 'Planned Parenthood of Maryland > Who We Are > Leadership Team'. The main content area is titled 'Leadership Team' and lists the following roles and names:

- President & CEO**: Karen J. Nelson
- Chief Medical Officer**: Dr. Lilja Stefansson
- Chief Operating & Advancement Officer**: Shelly Terranova
- Vice President of Human Resources**: Blaine Riggs
- Vice President of Public Affairs**: Erin Bradley (circled in blue)
- Senior Director of Clinical Operations**: Lindsay Ratcliffe

On the right side of the page, there is a sidebar menu for 'Planned Parenthood of Maryland, Inc.' with the following links:

- Who We Are
 - History & Highlights
 - Board of Directors

Ms. Bradley,

Had Planned Parenthood offered me an 'informed' choice and offered me the choice to listen to my unborn child's heartbeat; I probably would have changed by mind. As a result, I was diagnosed with PTSD in 2013 after I had a nervous breakdown and attempted suicide for allowing a stranger to murder and dismember my unborn child.

I am still open for debate if you or anyone in your organization is interested, but I doubt anyone will be interested since fighting for the murder of unborn babies is more profitable instead of offering them life.

Ms. Bradley,

Good morning. If you would like to have a debate regarding your UNFAVORABLE vote for HB0049 - THE HEARTBEAT BILL, I would be happy to engage.

Subject: Who, AMONG US, WILL CAST AN 'UNFAVORABLE' VOTE for 'INFORMED' CHOICES going forward?

WHO CASTS AN 'UNFAVORABLE' VOTE FOR 'INFORMED' CHOICES

FOR ANY OF THE FOLLOWING:

ALL PREGNANT PEOPLE before HE/SHE murders and dismembers HIS/HER unborn baby, so the abortionist can profit off the clump of cells connected to HIS/HER womb.

ALL UNBORN BABIES, who have no voice at all because they are clinging to life inside their mother's womb.

ALL BABIES outside their mother's womb, who can't speak for themselves, before they are raped, or molested, or trafficked, or killed and/or mutilated and dismembered for profit.

CHILDREN of ALL AGES, who can't speak for themselves, before they are raped, or molested, or trafficked, or killed and/or mutilated and dismembered for profit.

ALL TEENS, who can't speak for themselves, before they are raped, or molested, or trafficked, or killed and/or mutilated and dismembered for profit.

ALL ADULTS, who can't speak for themselves, before they are raped, or molested, or trafficked, or killed and/or mutilated and dismembered for profit.

ALL SENIORS, who can't speak for themselves, before they are raped, or molested, or trafficked, or killed and/or mutilated and dismembered for profit.

AND/OR,

ALL THE REST OF US| who can seemingly make 'informed' choices without being offered an 'informed' choice.

ASK YOURSELF THESE QUESTIONS THE NEXT TIME YOU ARE PRESENTED

WITH THE QUESTION

WHO DESERVES AN 'INFORMED' CHOICE AMONG GOD'S CHILDREN
