

Committee: House Health Committee

Bill: House Bill 1451 – Public Health - Women's Health Care Data - Report

Hearing Date: March 10, 2026

Position: Oppose

The American College of Nurse Midwives (ACNM) opposes *House Bill 1451 – Public Health - Women's Health Care Data - Report*. We are opposed because this bill imposes burdensome reporting requirements for healthcare providers. The data collected under this bill would be too inconsistent for a true cost analysis.

We ask for an unfavorable report. If we can provide any additional information, please contact Robyn Elliott at relliott@policypartners.net or (443) 926-3443.
