Committee: House Health Committee

Bill Number: House Bill 1112 – Health Insurance Coverage Protection Commission – Study on Individual and Group Health Insurance Market Stability

Hearing Date: February 26, 2026

Position: Support

The Maryland Dental Action Coalition (MDAC) strongly supports *House Bill 1112- Health Insurance Coverage – Study on Individual Group Health Insurance Market Stability*. The Commission was established in 2025 by the Maryland General Assembly to address the impact of federal actions on health insurance coverage, including Medicaid. House Bill 1112 adds new responsibilities to the Commission, including studying the need for additional grant funding to federally qualified health centers. MDAC believes that our safety net provider community needs additional resources to preserve healthcare access for a growing number of uninsured Marylanders.
