Bill Title: Medicare Supplement Policies – Issuance – Requirements

Committee: House Health Committee

**MDOA Position: FAVORABLE**

---

The Department of Aging (MDOA) thanks the Chair and Committee members for the opportunity to submit this favorable testimony for Senate Bill (SB) 134 - Medicare Supplement Policies – Issuance – Requirements.

As Maryland’s State Unit on Aging, the Maryland Department of Aging (MDOA) oversees the Area Agency on Aging (AAA) network and administers the State Health Insurance Assistance Program (SHIP). Through SHIP, our certified counselors provide free, unbiased counseling to thousands of Maryland’s Medicare beneficiaries annually, including many who are no longer eligible for Medicaid. This direct engagement gives us firsthand insight into the barriers to coverage that SB 134 resolves, as SHIP is one of the primary resources educating beneficiaries of their guaranteed issue rights.

MDOA commends the Maryland Insurance Administration for bringing forward SB 134. This bill represents a vital step toward strengthening consumer protections by ensuring that Marylanders transitioning off of Medicaid are not denied Medicare Supplement coverage due to pre-existing conditions. By expanding guaranteed issue rights, SB 134 provides a critical pathway for lower-income older adults to access the reliable, comprehensive coverage they need.
