

Testimony of Kayla Gray-Hillian in SUPPORT of House Bill 1461

Good morning, and thank you for the opportunity to speak today. I also want to begin by apologizing that I cannot be there in person. I am currently in Guatemala participating in a physical therapy service trip, providing care to individuals who otherwise have little to no access to rehabilitation services.

My name is Kayla Gray-Hillian, and I am a physical therapist in Maryland. I am also a patient who has lived with rheumatoid arthritis for the past ten years.
