

Greetings,

I am asking for an unfavorable vote on HB0488. As the Vice President of the Republican Women of Charles County, this bill makes it clear to the rural community members, whom I represent, that our own state officials want to disenfranchise us from electing the representative of our choosing. This bill intentionally carves out portions of high-density populations in all eight districts to ensure our voices are never heard. I urge you to do the right thing and wait until the previously established appropriate time to reevaluate our district maps.

I ask for an unfavorable vote.

Thank you,

Alorah VanTassell
